Chris-Craft is a truly American story. Born in 1874, it came of age at a time that defined the notion of American ingenuity. While Henry Ford was creating the first motorcars, his watercraft counterpart, Chris Smith, was developing the very first engine-propelled boats and skiffs. Even during the Great Depression, Chris-Craft thrived because quality is always prized. During the Second World War, the company reinforced its hold on the American imagination when its landing craft transported the first troops to the Normandy shore on D-Day. In more ways than one, Chris-Craft would become a symbol of liberation and freedom. In 1959, Time Magazine would recognize the popular phenomenon of pleasure boating and put Chris-Craft on its cover. Throughout its rich history, a reputation for quality and style have made it the favorite of presidents, celebrities and icons of American affluence - names like Roosevelt, Kennedy, Vanderbilt, Morgan, Ford, Sinatra, and Hepburn.

CAPRI 25

Shown in Cashmere Metallic Painted Hull

Similar to its younger sister, the Capri 25 embraces design cues from the brand's original DNA and harks back to the Chris-Craft vertical bow models of the 1930's. The Capri 25 is equipped with a portside motorized walkthrough for easy boarding onto the boat into the cockpit blending innovative technology with classic styling.

CARINA 21

The Carina 21 embraces a classic sloped tumblehome which has become a signature of Chris-Craft design. The open-bow and cockpit seating make this boat the perfect family boat.

The Corsair 32 is well-suited to accommodate overnight excursions but is also built for day cruising and quick turns around the bay before sunset. No other boat is better suited for escaping quickly and arriving in style.

The Corsair 36 is the largest of the Corsair family boasting a generous aft seating area built to offer maximum seating for you and your guests in the open aft lounge. It features a large skylight on the forward deck, allowing for an incredible amount of natural light in the salon, enhancing your stateroom experience within its spectacular interior.

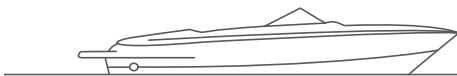

The Corsair 36 Hard Top Edition is equipped for all seasons; built to take on offshore waters and accommodate guests in comfort and style. With a glass sunroof that opens at the touch of a button and a sunshade that fully extends over the aft cockpit seating area for maximum topside enjoyment, your day will always be just the way you want it.
