## HIGHFIELD CLASSIC 460

Length: **4.60m**

Location:

Ref: **TB45616**

**EUR POA**

Ocean Master 460 design offer fitting options that create either a fabulous family cruising RIB, a luxury tender or a hard working support vessel. Whatever layout you choose, you can be assured that your Ocean Master is built to last. The Ocean Master range is designed with tough conditions in mind. Internal under-deck fuel tanks, non-slip deck, self-draining deck and a 20° dead rise let you take on even the toughest conditions confidently.

With the impermeable qualities of our aluminium hulls there's no need to worry about gelcoat chips, or putting the boat on a beach or a trailer. Your Highfield Ocean Master won't delaminate over time, retaining its agile performance and weighing the same in 10 years time as the day you towed it

away from the showroom.

All Ocean Master RIBs are easy to trail, easy to launch and recover and due to their light weight and integrated davit lifting eyes.

The hull of the Ocean Master 460 is built of 4mm thick powder coated marine grade aluminium. The tubes are made of 1100 dtex coated fabric.
